About DXL Projects Pty Ltd – Rockhampton Builder

DXL Projects is a proud Queensland company based in Rockhampton. We pride ourselves on designing beautiful homes to suit our wonderful Queensland lifestyle. Working together with you, our aim is to provide a home for carefree and modern living. Generous sized bedrooms, spacious living areas with large outdoor entertainment areas are a feature in all our designs. We feel confident there is a home for everyone and every budget within our range. Our design range features names from all Queensland postcodes so you may just find a home that is close to your heart.

Building a new home is an exciting journey so 'Do it once, Do it well with DXL'.

About the Directors

Growing up in Rockhampton Dennis Donaldson watched his father build houses and excelled in hands-on subjects such as wood work at school. It was little wonder that he went on to start his own independent local building company after accumulating more than 25 years of experience in building homes within Central Queensland.

Co-founders of DXL Projects Dennis and Leanna built their business around homes that last for lifetimes. DXL Rockhampton Builders considers each home not only for the life the owner will live in it but for the lifetimes of families that will at some stage also call it home. That's why DXL refuses to sacrifice quality. Do it once. Do it well. With DXL.

An accredited member of the Queensland Master Builders Association, DXL Projects' experience and dedication to personal service is evident in every team member, and ultimately demonstrated through the superior craftsmanship of each home.

Dennis and Leanna's hands-on approach to every stage of each project ensures the process is easy and ultimately the exciting experience it should be for home builders.
