

About Aleisha

You can call me Leish or Leishy and I am a part owner of Hair Cartelle

To describe myself in short, I would say I am extremely passionate, stubborn and determined. These are probably both my best and worst qualities! I always knew I would be a great hairdresser, ever since I was little I enjoyed making people feel and look good. I have always kept myself up to date with the latest styles. I am a good listener and enjoy having a chat. I pride myself in exceptional customer service. I love building strong relationships with my clients and believe communication and trust is vital between a client and hair stylist. My personal strengths and industry training have shaped me to be a very confident and successful expert stylist and now business owner.

I love blondes! My favourite thing is probably educating clients how they can maintain their look at home and achieve healthy hair with the right products. I am definitely lucky to be able to meet so many lovely people in my salon. I am also super appreciative of my business partner Dani, because we make the best team and balance each other out 😊

Out of the salon I love training at the gym, eating delicious food, relaxing and spending time with my partner. I believe balance is the key! I also love the sun, waffles and Nutella way more than I should!

I can't wait to meet you,

Leishy xx
