& JOINERY

Here at Burleigh Kitchens & Joinery, we will design, build, and fit your dream kitchen/cabinetry. Located on the Gold Coast, we have been running for over 20 years. We take the time to understand your lifestyle, tastes, and aspirations, and together with our ideas, we will customise a design beyond what you can imagine. Burleigh Kitchens & Joinery only uses high-quality products so that all our kitchens/cabinetry are built to last. Burleigh Kitchens & Joinery was founded back in 2004 and has been highly reputable since the beginning.

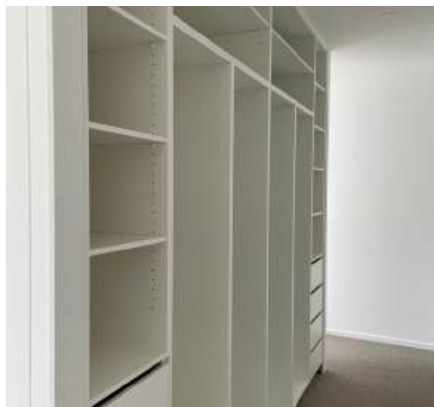

We have built kitchens/cabinetry for homes, rentals, hotels, resorts, high-rises, hospitals, and many more.

Your kitchen will be uniquely designed, tailored to your order. We use top-quality materials, including whiteboard, stone, timber, laminate, and Blum Hardware, which comes with a lifetime warranty. Our licensed fitters handle installation, removal, and disposal of old joinery. We also coordinate plumbing, electrical, and tiling to minimize downtime so your only task is selecting colours and appliances.
