

OILS & BALMS

PURE NATURE WATER DISPERSIBLE NATURAL MASSAGE OIL

Pure Nature Massage Oil is an exclusive blend of healthful, edible plant oils, formulated for the professional therapist. Our unique blend provides superior texture and glide, absorbs well, reducing build up and stickiness for greater ease of use and improved client comfort. This oil has a plant based dispersant so it washes away easily, improving cleanliness and hygiene. Pure Nature Natural Massage Oil is pleasant to use, has good absorption characteristics and promotes improved skin health, providing you and your clients with an enhanced massage experience.

- Made in Australia
- 100% biodegradable
- No added colours

PURE NATURE WATER DISPERSIBLE MASSAGE OIL BLENDS

Pure Nature Massage Oil blends combine the benefits of our water dispersible oil with the wonderful scents and therapeutic properties found in essential oils. The Relaxation Blend contains lavender, mandarin and rose geranium for their relaxation qualities. It's a subtly blissful blend. The Sports Blend features camphor, eucalyptus and wintergreen for their natural muscle warming abilities. Lemon Myrtle uplifts the senses and improves the mood and has powerful anti-microbial and anti-inflammatory properties.

PURE NATURE NATURAL BALM

Rub your clients up the right way with Pure Nature Massage Balms. Balms offer less slip and more grip than oil and leave skin feeling silky smooth. We recommend Natural Balm for Pregnancy Massage as it's unscented and nourishing to the skin, also good for myo-fascial and pressure point work. Can also be used as a base to add your own blend of essential oils. Available in 250g and 500g sizes.

	\$12.00 250g

PURE NATURE COOLING BALM

Cooling Balm has essential oils of lavender and peppermint added to the beeswax base. We particularly recommend it for sports therapists as a post sport muscle rub. Also popular with podiatrists and reflexologists as peppermint is a great treat for feet, or just use as a pick me up when feeling tired. Available in 250g and 500g sizes. Pure Nature Balms are all proudly Australian made.

MAGNESIUM OILS

Magnesium has been shown to have therapeutic value in treating conditions such as headaches, chronic pain, asthma, and sleep disorders. It has also been linked to a reduced incidence of conditions such as heart disease, hypertension and diabetes.

Choose the plain magnesium oil for natural pain relief, just spray and massage into affected areas. Or try our Magnesium Oil with Lavender for relaxation and sleep promotion.

SPECIALTY RUBS

Fisiocrem: This is an effective massage cream to care for muscles and ligaments following injury related to daily activity or intense physical exercise. Fisiocrem uses high levels of active plant extracts of Arnica, Hypericum and Calendula that are grown and harvested to specific requirements especially for fisiocrem solugel.

Kunzea Cream: Australian Kunzea Oil is the active ingredient in Kunzea Cream. The essential oil targets sore joints, and the aches and pains caused by arthritis, by being absorbed through the skin to target areas of inflammation.

MO068	Fisiocrem 120g	24.95
MO070	Kunzea 100g	34.95

DETERGENTS & CLEANERS

Aquafresh and Powerfresh are 100% biodegradable, towel rejuvenating, laundry powder and liquid. It's designed to remove oil based residues and odours in towels and linens.

Green Aussie is an all purpose cleaner, ideal for cleaning massage table upholstery, removing oil without drying or abrading the vinyl. The 250ml concentrate makes up 8L of spray.

MO040	Aquafresh Liquid 1L	13.50
MO041	Aquafresh Liquid 5L	55.00
MO043	Powerfresh 2.5kg	28.00
MO044	Powerfresh 5kg	55.00
MO055	Green Aussie Cleaner	12.00

OIL HOLDERS & DISPENSERS

Oil bottle holsters have adjustable belts to wear around the waist, keeping your massage oil to hand during a treatment. The single pouch holds a 250ml pump or squeeze bottle (sold separately). The double holster holds 2 x 200ml pump bottles (which are included). Don't struggle with big containers of massage oil getting to and during treatments, buy in bulk then decant into squeeze or pump 250ml bottles.

MO046	Single Holster	16.50
MO001	Double Holster	25.00
MO058	Pump Bottle 250ml	3.00
MO052	Squeeze Bottle 250ml	3.00
