About Us

In 2005 Chambers Pest Solutions was established and since its inception rapid growth has been achieved by excelling in our customer service and ensuring that our clients will always receive outstanding service and value for money.

Chambers Pest Solutions are a **Perth** based company who pride themselves on quality workmanship. We will provide you with an efficient service to meet your requirements whilst maintaining education and standards of practice to benefit you as our client.

Our use in applications is effective for both the elimination and the prevention of annoying and harmful insects, bugs, rodents and other nuisances.

Our Pest Management Service offers the highest level of protection to the food, non-food industries, warehouses, hotels, **residential** premises and **commercial** premises etc.

We are a specialist company who is dedicated to solving pest problems while meeting the new environmental challenge to ensure that we provide you with preventative and curative methods to treat any infestation and to ensure that there are No Undesirable Pests, No Excessive Pesticide Residues, No Re-infestation and No Adverse Ecological effects.

We specialize in a variety of **residential & commercial pest control Perth** wide, and our experienced and knowledgeable staff receives ongoing training to provide the most up-to-date methods for **pest control**.

Testimonials

“ John even called to say he would be a little late and he gave advice on how to combat the problem in future.

- Andrew Hall, Carlisle
