## AUSSIE UPHOLSTERY

Aussie Upholstery has 35 years' experience in custom upholstery. We come to you for obligation free quote, with a wide range of fabric samples. Quality craftsmanship, we take in pride in our work.

We use a wide range of Warrick fabrics. High density foam. Speak to us regarding choosing the right fabric and color for you.

We can restore your antique furniture, bring your old loved furniture back to new. Or give you that bespoke touch in our custom range. Using high density foam, quality Warrick fabrics. Highest grade of webbing.

We use strong quality coil springs and non-sag springs. Keeping you in the loop throughout the progress. For stress free, done right the first time. We do deep buttoning. Scatter cushions, and out door furniture.

You are working directly with the upholster not a business who contracts the work out. We pride ourselves on every piece of furniture that we do. Ensuring quality control before it leaves us to come to you.
