

**WESTERN DISTRICT  
ELECTRICAL SERVICES**

*All aspects of Electrical Installations, Maintenance and Repairs*

Dear

Please find enclosed your Solar Maintenance Evaluation.

This visit has included the following checks:

- Check the operation of the System including all voltages.
- Check all terminations of breakers and solar modules
- Clean Panels with Water and Glass Cleaner.
- Tighten all module clamps and associated bolts.
- Paperwork and results

If there is anything further we can assist you with, regarding Solar Power or General Electrical work, Please feel free to contact me directly on the Phone number below or email [wayne@wdelectrical.com.au](mailto:wayne@wdelectrical.com.au)

We look forward to hearing from you.

Regards,

Wayne Davies
