

THE RIGHT MEDICATIONS TAILOR MADE JUST FOR YOU

BLOOMS THE CHEMIST CAMDEN IS NOW A COMPOUNDING CHEMIST

Blooms the Chemist has build a new compounding lab using state of the art equipment, where trained specialist pharmacists, use TGA approved raw ingredients only, to deliver a safe, effective and price competitive tailored medication for you.

We tailor make quality medications for all ages, medical conditions and even your pets.

We specialize in delivering personalised treatments in:

Pain management | Pediatric health
Dermatological preparations
Women's health – Bio-identical HRT
Men's health | Veterinary

CALL US TODAY and ask to speak to the compounding pharmacist with any inquiries.
