## NATIONAL PROCESS SERVERS

### **Servedoc Pty Ltd is a leading Australian Process Serving and Document Courier Company.**

Servedoc Pty Ltd is an innovative and creative company that process serves Court documents across Australia from any Court Jurisdiction. We have six offices across Australia including on the Gold Coast and in Brisbane, Sydney, Melbourne, Newcastle and Canberra.

We provide expeditious, reliable and professional field agent services for law firms, businesses and individuals throughout Australia. Our agents have invaluable military and/or police service experience which means our agents have the highest awareness, and an acute attention to detail in serving your documents. Furthermore, our office team consists of young lawyers and law graduates who will ensure that all service rules are complied with and that Affidavits are of the highest quality.

We are specialists in our field and are able to meet all of your process server needs in Queensland, New South Wales, Victoria and in the Australian Capital Territory.

Some of the services that we offer include but are not limited to:

- Process Serving & Field Calls;
- Skip Tracing Services; and
- Urgent Service
