

# UNLIMITED BINS

Our **Domestic Bin Range** Is Built For All Purposes  
From Quick Clean Ups, To Big Clear Outs.

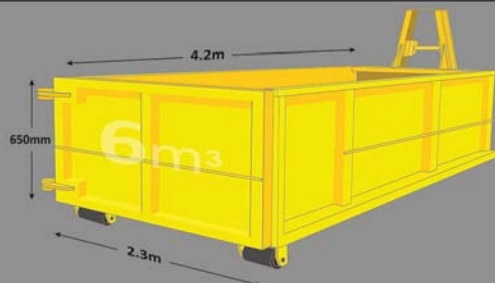

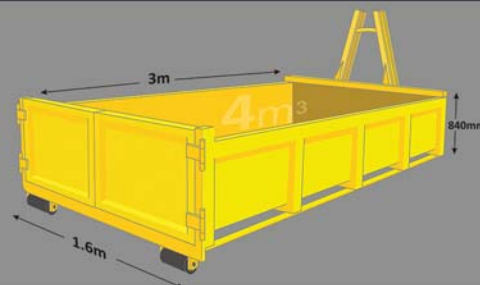

## 3m<sup>3</sup> Walk in Bin

Perfect for Quick Clean ups in the yard, or small clearouts from the house. This bin is often used for small bathroom renovation projects as well.

## 4m<sup>3</sup> Walk in Bin

This skip bin gives you just a little bit more space for slightly larger amounts of rubbish removal. This is also a good skip to hire for moving house.

## 6m<sup>3</sup> Walk in Bin

Our most popular walk in bin. This bin is ideal for almost any domestic scenario. Big cleanups, yard work weekends, bigger renovation projects.

## 8m<sup>3</sup> Walk in Bin

For those who really like to clean up every last thing, the extra 2m<sup>3</sup> of this walk in bin make it a good option for big projects where you intend to go the extra mile.

## Why Choose Us

- ✓ We provide a convenient online quoting and booking system for our customers to hire their skip bins.
- ✓ We recycle as much waste as possible, doign so reduces our environmental impact and lowers our
- ✓ All our prices are very competitive. By being on time and recycling we are able to have competitive pricing.
