Your Complete Land Surveying Solution

Land surveys, land and building subdivisions - Ivanhoe (VIC)

JRL LAND SURVEYORS PTY LTD is qualified to carry out all types of land surveys, and we provide our services to both small and large property developments. The main services we are engaged to provide are:

[Title Re-establishments](#) / Boundary / Check Surveys
Land and Building Subdivisions (including unit developments)
Site Analysis (Rescode) Surveys for Town Planning Applications
Basic Feature and Level Surveys (to AHD if required)
Title Amendment Applications (such as Adverse possession)
Construction Set-out for Commercial, Residential or Industrial Developments
Development Advice
