OUR PRE-PAID FUNERAL PLAN
relieves your family of any unnecessary confusion
and financial burden regarding funeral expenses.
Decisions can be made logically and less
emotionally about final expenses, rather than
at a time of grief.

Under the current Pre-Paid Funerals Code of
Practice Regulations 1996, all pre-paid monies
are required to be invested with an approved
funeral fund manager. A numbered Pre-Paid
Funeral Contract is prepared, detailing your
precise wishes and expenses involved, in order
to facilitate provision of the contracted service.

Expenses paid to Ivan Butler Funerals pursuant
to your Pre-Paid Funeral Contract is, at present,
paid to Lifeplan Financial Group, from whom
a numbered certificate is issued, also in
compliance with the above regulations.

The decision to Pre-Pay is of course yours, and
you are under no obligation to do so. However,
if you choose against this option, you may
consider completing our booklet 'My Personal
Wishes', as an appropriate alternative. Your
requirements are detailed in the same manner,
but without the financial commitment.
