

Southbound Locksmiths: Business & Commercial Solutions

We offer a complete range of commercial lock solutions tailored to suit your individual requirements. Our experienced and qualified staff can provide free security site surveys to evaluate and advise you on how you can best secure your business premises.

Our commercial services include:

- ✦ Locks rekeyed to suit new keys if keys lost, stolen or staff changes
- ✦ High security restricted / master key systems designed & installed
- ✦ High quality commercial grade locks & padlocks
- ✦ Locks repaired, replaced & keys made to suit
- ✦ Key storage cabinets supplied and installed
- ✦ Safes supplied, installed, serviced, repaired & opened
- ✦ Door closers & emergency exit devices
- ✦ Digital locks
- ✦ CCTV installation
- ✦ High security external key lockable door bolts
- ✦ Emergency burglary repairs & insurance work

Testimonials

"Southbound Locksmiths supplied and installed new locks and systems for our commercial property, their service is prompt and particular, I would recommend their ability and service."
Dave Bennett, Director - Bennett Design

"Top bloke Pete Busbridge. Responds and completes the job same day, or same day the parts arrive. Knows his stuff."
Scott Collett, Managing Director - Woodstock Wines
