

# Your wedding is as just as special to me as it is to you!

Ashley & Liam, wedding at Belgenny Farm

*Karen, I just wanted to send a quick email to say thank you so much for such a beautiful ceremony. Liam and I had nothing but compliments of how beautiful our ceremony was and it really was all to you. You are such an incredible celebrant who is not only professional at all times but also just such a caring beautiful person from the inside and out.*

*Thank you for keeping my husband calm and sharing our special day with us, and a huge thank you for our beautiful gifts we can't wait to show everyone what you have put together for us. We absolutely will share some positive reviews for you after our minimoon, it is the very least we can do. We look forward to having you again for our love lock ceremony when the baby arrives. Thank you again for not only being our celebrant, but someone we can call a friend as well.*

Kristi and Luke, wedding at Bendooley Estate Berrima

*Karen, thank you so much for all that you have done for us. We can't believe how beautiful the wedding was. From the moment we met you, your calming, vibrant, energetic and positive energy had us hooked straight away. You were everything we wanted in a celebrant and more!*

*You made every step smooth and easy, and nothing was ever problem. Thank you for answering every call, question and email and for making the scary task of writing our own vows not so scary and helping us make them perfect.*

*Thank you for being so lovely and supportive on our wedding day. It was so nice to know that you had everything under control, and we didn't have to worry about a thing. You were calm for us and a breath of fresh air. On the day, just before things started getting hectic, I saw you and you instantly made me feel safe. I knew you had it under control, and you were just a dream Karen, thank you thank you for just being you and making everything calm and happy and exciting. You said to us on our first meeting that you wanted us both to be calm and to take a breath once I got to the bottom of the aisle as the nerves and excitement takes over and everything becomes a blur. Gosh you were so right! You understood the feelings and made it clear to us that there is no rush and we have time to just breathe and take it all in for a moment.*

*You calmed our nerves and allowed us the few seconds that we needed to say hello and just relax, hand in hand before the ceremony started. For this, we can't thank you enough! Throughout the ceremony, I remember looking at you from time to time just thinking OMG what is happening, and your kind, calm and trusting eyes were so lovely to see as I instantly just felt happy and that we are doing this amazing thing!!*

*Karen, Thank you so much! No words could ever describe how thankful we are and how perfect our day was. I tried to express how we feel but this message does not even do it justice! It was a true blessing to have you by our side on our special day. Thank you again, The newly married Mr and Mrs Galea*
