Tree Removals Melbourne - Professional Tree Lopping

If you're looking for tree services in the south eastern suburbs of Melbourne, Redback Tree Services has the expertise and resources to safely do the job. Need a single tree removed or pruning done? Redback Tree Services can help. Need several trees to be felled or lopped, or an entire block cleared? We can do that too.

Our tree services include:

- Tree removals
- Tree lopping
- Tree care
- Tree trimming and branch removal
- Stump removal and stump grinding
- Tree, shrub and hedge pruning
- Arborist services

Why choose Redback Tree Services?

- We're passionate about trees and plant life
- We provide free quotes and honest advice
- Our people are professionally trained and certified
- Safety and care for the environment are our priorities
- No job is too big or small
- We ensure your property is spotlessly clean after we've finished the job
- We're insured for your peace of mind
- We service all suburbs in Bayside and the South East of Melbourne (see our Service Areas page for more details).
