

Hire Equipment

Our range of hire equipment is maintained to a high standard of quality.

Visit one of our showrooms for pickup or let us deliver to your door. Our experienced staff will set up the equipment and provide instructions on its use.

Hire is on a weekly or monthly basis. All hire must be paid for in advance, at time of pickup or delivery.

Delivery and set up charges may apply.

- Bariatric Equipment

How We Help You

Expert Advice

Our professional, caring staff have over 100 years combined experience in the healthcare industry.

From our 2 conveniently located showrooms in Port Macquarie and Forster, we service the Mid North Coast region from Bulahdelah to South West Rocks.

Prompt Delivery & Product Orientation Service

With our fleet of delivery vans, we can deliver to your door. We'll also provide a comprehensive orientation to ensure that you can use your new equipment safely and with confidence.

Free Equipment Trials

To ensure that you have the right products / equipment for your needs, we offer free equipment trials in your home.

After-Sales Service

Our range of products have an outstanding reputation for reliability. With our well equipped workshop and factory trained technician, we are dedicated to servicing and repairing all types of equipment.

Hire Equipment

Our range of hire equipment is diverse and sure to meet your needs - short or long term.

Competitive Pricing

We strive to supply our customers with the best quality products at the most competitive prices.

Code of Practice

As a member of the Independent Rehabilitation Suppliers Association (IRSA), we are proud to abide by their Code of Practice.

Service Support

Our factory trained Service Technicians provide both workshop and mobile servicing and repair of rehabilitation and mobility equipment.

Mobile Service

Our technicians are available to come to your home for onsite service or repairs.

Fully Equipped Workshop

You may drop off your equipment to our workshop for service or repair. You can then pick it up yourself or we can arrange to deliver your equipment back to you.

In the event of any major or long term repairs, we may be able to provide you with loan equipment (subject to availability).

We keep the most commonly required parts in stock to ensure our repair turn-around is kept to a minimum. Home Safety & Comfort are authorised warranty agents for key industry manufacturers.

Regular Servicing

We recommend having your scooter or powerchair serviced at least once a year. This way, we can attend to any problems that may be present and deal with them before they become a major problem.
