Masey is a master hairdresser, has been in the industry for 18 years, and has owned her own salon for 11 years. "I am very passionate about hair & particularly love cut & colour work. I am extremely experienced with directional cuts & bending the rules, using my creative flair & intuition to achieve the best style for you. Upon completion of my training, I achieved the highest mark for ladies practical of 98%. I have a second language, which is Auslan and am able to fluently communicate with hearing impaired people. I am passionate about style & ensuring that my clients walk out with a style that enhances their features & unique qualities. I have managed to keep my clients for the past 18 years, for me that is a wonderful achievement."

**Hair By Masey Trading Hours are completely flexible. We require clients to book and short notice bookings are sometimes available, including late nights and weekends. We look forward to meeting you soon.**
