Management Team

Tim Lewry - Owner / Director

Tim has almost 20 years experience in the security industry.

In 2007, Tim purchased G-TEC Security Services, a small struggling company with a poor reputation, and has grown it into the leading mobile patrol and alarm response provider in the greater Wagga region. Tim has applied his business acumen, no-quit attitude and attention to detail to build G-TEC Security into the strong, reputable company it is today.

Max Fallon - Operations Manager

Max has been in the security industry for over sixteen years. Originally from Sydney, Max started out as a front-line guard, working in alarm monitoring, crowd control and risk management, before moving to Wagga Wagga in 2005. Before coming over to G-TEC, he successfully managed the Access Control contracts at the Wagga Army and Air Force bases.
