

CONNOR TIERNEY

ASSISTANT SALES AGENT

After almost six years in the building industry, Connor embarked on a new career to become a fourth generation real estate agent. Connor is an agent who brings energy & enthusiasm to every sale he is involved in & he has an ardent desire to achieve success in the industry.

Born & raised in Mildura, Connor knows Mildura & the surrounding areas well & has a strong understanding of the local real estate market, including property values and trends.

Connor thrives within an acclaimed sales team led by local real estate luminary & Barry Plant Director, Tense Venneri. He mirrors the team's exceptional service, a quality that has propelled Barry Plant Mildura to the forefront of the region's real estate network. "With an open and direct approach, I aim to achieve the best outcome for you. I understand that buying & selling real estate is one of your biggest decisions & I am committed to giving clients tailored service and support".
