MAINTENANCE SOLUTIONS

Twin Cities Glass and Aluminium has been providing repairs and maintenance solutions to commercial and industrial sectors for 30 years.

We understand that your core business needs to be operated efficiently and managing repairs and maintenance is only part of what you do. By working efficiently ourselves, and providing excellent customer service, you can be assured the maintenance or repair job will be completed on time, on budget and you'll be kept informed of our progress.

Our 24 hour call out service gives clients peace of mind, knowing that whatever happens, we are only a phone call away. Our aim is to have your organisation back operating at full capacity in the shortest time possible.

If you are interested in a repairs and maintenance solution for your glass and aluminium needs, please call one of our friendly team on 07 4773 7711.

INDUSTRY EXPERIENCE

We have produced high quality repairs and maintenance solutions for many clients over the past 30 years. We have experience across a range of industry sectors including:

- Defence
- Local councils
- State government departments
- Federal government departments
- Banks and credit unions
- Department stores
- National retailers
- Grocery stores
- Commercial offices
- Libraries
- Workshops
- Newsagencies
- Restaurants
- Small business

CAPACITY

The team at Twin Cities Glass and Aluminium is 20 members strong. Depending on project size and scope, we have the ability to bring in more staff when required.

Our fleet of 13 vehicles allows us to service clients right across north and west Queensland with high quality glass and aluminium solutions.

Our fully equipped workshop in Townsville is set up with efficient work practices in mind. This allows us to respond to a small single repair job for a client through to a large multi-million dollar project with the same ease and efficiencies.

Our efficiencies and on site manufacturing capability allow us to produce high quality results for clients in a cost effective manner.

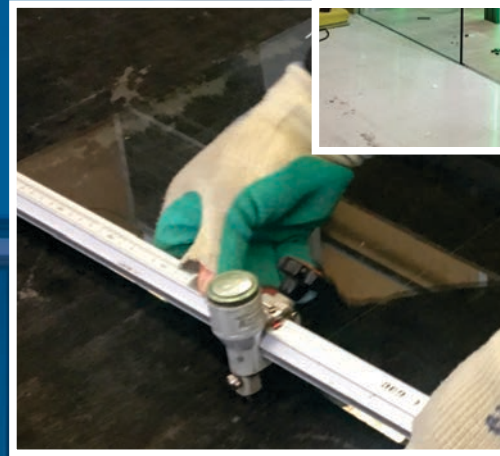

We work in partnership with clients for long term relationships so we can be ready to respond to industry needs on time and on budget.

QUALITY

At Twin Cities Glass and Aluminium we are committed to producing high quality products and high quality service each and every time we carry out a job for a client. We ensure this through our continuous improvement policies and processes. This framework governs our manufacturing workshop in Townsville and all on site work.

ENVIRONMENT

Our commitment to minimising the impact our operations have on the environment is carried through every area of our business. From our office, to our workshop, our vehicle fleet and our on site work are all carried out with care for the environment.

SAFETY

Safety is the number one priority at Twin Cities Glass and Aluminium. Our team are proud to carry out our work in a safe manner and looking for ways to minimise risk. Safety in our workplace is more than sound policy and procedure, it is also about attitude.

CAPABILITY

Glass and aluminium work encompasses a broad range of products and services applicable to commercial and industrial sectors including:

- Windows
- Doors
- Mirrors
- Traditional security screens
- SecureView security screens
- Fire escape screens
- Glass replacements
- Patio and workshops enclosures
- Repairs
- Maintenance
- Glass shelving
- Glass louvres
- Toughened and laminated safety glass
- Colour glass
- Glass table tops
- Glass shop fronts
- Glass splashbacks
- Replacement rollers and locks
- Glass cut to size

24 HOUR EMERGENCY SERVICE

In the event of a glass emergency, we're here for you, no matter what the time is. We understand time is money and we'll work around the clock to bring you a solution to get you back on track as soon as possible.

Insurance work is welcome at Twin Cities Glass and Aluminium. We'll work with you and your insurer to get you back on your feet in no time.

FIT OUT SOLUTIONS

In addition to high quality repairs and maintenance at Twin Cities Glass and Aluminium, our qualified trades team can design, manufacture and install new glass and aluminium fit outs for commercial and industrial clients.

Our glass and aluminium fit out experience includes:

- New offices
- New workshops
- Office extensions
- Office renovations
- Glass signage
- Glass display systems
- Glass shelving systems
- New bathroom and staff amenities
- Building in patios
- Securing workshops
- Retail fit outs
- Office fit outs
