Peter is a thorough gentleman. I've been at many weddings where he is the DJ and his experience shines through when "picking the crowd"! He will often join in and give a few tips as he is an accomplished dance teacher! As an MC he is excellent too. Surprisingly he comes at a good price!

Amazing DJ and entertainer and so much fun! Got everyone dancing at our wedding and the kids loved the dance lessons. Peter is a very knowledgeable man and gave us heaps of help.

Peter recently did the music for our daughters wedding and he was amazing. We had so many positive comments from everyone there. It was gso good to see everyone of all ages up on the dance floor having a great time.
