RESIDENTIAL SOLUTIONS

Twin Cities Glass and Aluminium has been providing quality glass and aluminium solutions for home owners and builders for 30 years.

We understand that whether you're building your first home, an investment property, your dream home, renovating or extending, security and style are important.

In addition to regular glass and aluminium service, our 24 hour call out service gives clients peace of mind, knowing that if an emergency occurs, we are only a phone call away.

If you are interested in discussing glass and aluminium style and security solutions for your home, please call one of our friendly team on 07 4773 7711 for a free measure and quote.

30 YEARS EXPERIENCE

CAPACITY

The team at Twin Cities Glass and Aluminium is 20 members strong. Depending on project size and scope, we have the ability to bring in more staff when required.

Our fleet of 13 vehicles allows us to service clients right across north and west Queensland with high quality glass and aluminium solutions.

Our fully equipped workshop in Townsville is set up with efficient work practices in mind. This allows us to respond to a small single repair job for a client through to a large multi-million dollar project with the same ease and efficiencies.

Our efficiencies and on site manufacturing capability allow us to produce high quality results for clients in a cost effective manner.

We work in partnership with clients for long term relationships so we can be ready to respond to the needs of the region on time and on budget.

QUALITY

At Twin Cities Glass and Aluminium we are committed to producing high quality products and high quality service each and every time we carry out a job for a client. We ensure this through our continuous improvement policies and processes. This framework governs our manufacturing workshop in Townsville and all on site work.

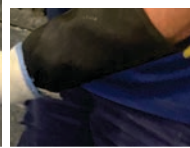

ENVIRONMENT

Our commitment to minimising the impact our operations have on the environment is carried through every area of our business. From our office, to our workshop, our vehicle fleet and our on site work are all carried out with care for the environment.

SAFETY

Safety is the number one priority at Twin Cities Glass and Aluminium. Our team are proud to carry out our work in a safe manner and looking for ways to minimise risk. Safety in our workplace is more than sound policy and procedure, it is also about attitude.
