

# EXCAVATION

Wollongong City Excavation & Demolition prides itself on its commitment to safety, customer service, affordability, and knowledge. Backed by highly trained experienced staff and more than a decade of industry experience, you can rest assured that your project is in safe hands! Our services include earth moving, demolition, asbestos removal and civil construction, and we can tackle any size project!

Wollongong City Excavation & Demolition employs experienced supervisors and operators equipped with well-maintained equipment to achieve the highest levels of performance.

We can organize any landscaping project from Retaining Walls to beautiful gardens which help to bring a house to life. We design and build harmonious and innovative landscapes that enhance your surroundings and compliment your lifestyle.

At Wollongong City Excavation & Demolition we provide creative and practical landscape services at an affordable price tailored to your individual needs

Our Earth Moving services include, but are not limited to:

- ◆ Detailed excavation
- ◆ Tree removal and uprooting
- ◆ Driveway and footpath removal
- ◆ Tight access excavation
- ◆ Pool excavation
- ◆ Retention & storm water tanks excavation
- ◆ Site Remediation
- ◆ Building pads preparation
- ◆ Bulk earthworks
