## NEW DENTAL SURGERY IN VERMONT

### Introducing Dr Maria Gomes

Dr Maria Gomes has been in general dental practice for the past 15 years, and has extensive experience in both the private and public sectors. Dr Gomes brings enormous knowledge and experience in the management of anxious and medically compromised patients. Patients needing extensive dental rehabilitation and cosmetic makeovers are particularly welcome. Having worked in a preschool dental program while in the public sector, Dr Gomes is particularly skilled in the management of young children needing dental care. She endeavours to promote oral health by instilling in young patients good oral and dietary habits that will last them a lifetime.
