Looking for hedging plants?

03 9599 8500

## Our Staff

Like 

At Gills we believe our people are an integral part of our business. When you shop with us you will always be served by a qualified horticulturalist. If you have been a previous Brighton, Beaumaris, Port Melbourne or Hawthorn customer you will recognise many friendly faces – our staff have an average tenure of 10 years with the group.

### Stevie

**Role:** Nursery Manager

Stevie obtained her horticulture qualification at Melbourne University's Burnley Campus. She has worked in the Nursery industry for 27 years, 6 of these with the Gills Nursery Group. She initially joined the Group as the Manager of our Beaumaris Store, and came across opening our new superstore at Bay Road.

Stevie's love of horticulture enables her to not only assist customers with their plant choices but also work outdoors.

She loves any garden style well done, and is particularly fond of formal European style gardens. Stevie is a keen home gardener and she says, "I really love my vegetable garden."

### Greg

**Role:** Nursery Person

Greg has been a part of the Gills Nursery group for 32 years. He obtained his horticulture qualifications at Burnley and loves working outside.

His favourite plant is a *Cercis canadensis* 'Forest Pansy' because according to Greg, "it has it all!, flowers, foliage, autumn colour and nice wood".

When he's not helping customers with all their needs in the Nursery you can find him at the footy supporting the Mighty Saints!

### Gill's Gold Card

Join up for a Gill's Gold Card and receive:

- \* **10% off** all full priced stock
- \* seasonal tips and advice
- \* 10% off at Il Giardino Cafe; our delicious in-house cafe.

Discount cannot be redeemed on Services or Deliveries. Click on **More** below, fill in your details and a card will be sent out to you.

### Leonie

**Role:** Nursery Person

Leonie obtained her horticulture qualifications at Holmesglen and has over 20 years of Industry experience. She has been with the Gills Nursery group for 13 years, starting at the Brighton store.

Leonie is responsible for Garden Health Checks, a service where she will visit your garden and complete a report on what needs to be done in terms of feeding, pruning and watering.

Leonie loves plants and working outdoors, and while she says it's too hard to have a favourite she is partial to Australian native gardens.

## Annalise

**Role:** Garden Design

Annalise holds a Certificate IV in Landscape and Design from Bumley, and a Certificate in Garden Design from RMIT. She has 11 years experience in Garden Design and has been with the Gills Group for 6 years.

She loves all plants and her favourite part of Garden Design is creating spaces that people love to be in.
