Service and Experience You Can Trust

Bluesky Healthcare's strength is our staff. No matter your requirements, our friendly and caring healthcare consultants have the experience and knowledge to help design the right product for your comfort and health needs based on our unique 10-point healthcare assessment.

Our trained consultants take the time to talk with you to assess your needs and find out exactly how a Bluesky Healthcare product can offer you the maximum health benefit. Our fully equipped mobile showrooms can bring any of our products to your home for a relaxed and obligation-free consultation, demonstration and trial - at no charge.

Servicing and Warranty

Bluesky Healthcare offers a comprehensive warranty programme across our complete range. In addition to the standard 12-month warranty, you can also opt for a 5-year extended warranty by simply being part of our preventative maintenance programme. This extended 5-year warranty will ensure that your Scooter or Powerchair continues to operate perfectly, giving you total peace of mind.
