

QUALITY Shopfitters *International*

What can Quality Shopfitters International do to help you?

Welcome..... to Quality Shopfitters International

Choosing the right shopfitter for your food services project is easy.

Quality Shopfitters International offers a one stop solution for any shop fitting project Australia wide. We offer :

The right price
Friendly and efficient customer service, and
A commitment to your deadlines.

Between our four project managers we have over 60 years experience which means that you can have confidence in our skills and ability to really understand your requirements.

We go out of our way to produce result that will delight you, exceeding your expectations and delivering quality every time.

Our focus is on giving you the best design, visual and cost effective results that just work for your business. Best of all, we do it with great attention to detail with minimal effort required on your part.

Our blue ribbon clients include some of the biggest names in food including IGA, KFC and Hungry Jacks.

We shop fit for Bars, Grills, Cafes and fast food outlets as well as grocery stores and chemist chains.

With Quality Shopfitters International, you get an unequalled reputation for quality and service. Whether you need just a unit or an entire store fit out, we have the experience and knowledge required to ensure a successful rollout.

What does your shop say about you?

That's right - **everything**...!

You know that if a customer comes into your shop and is not delighted by what they see, in today's competitive market you are in trouble.

What can Quality Shopfitters do to help you?

We are committed to ensuring that the project is successful and above all profitable.

This means that we will work with you to ensure that your budget is understood and met and that you achieve the right outcomes for the right price.

You want...

When you are looking for a quality shop fitter for your next project you will have a list of requirements:

- No hassle, easy to work with team
- A team that will work with you from concept and design through to handover.
- A team with a reputation for quality that delivers on your expectations.
- The right price for the project and quality.
- Experience without the attitude
- Keen interest in your project and desire to see the best possible outcome for your project.

You need....

- When we established Quality Shopfitters International in 2005, we built a team from core specialists that complemented our knowledge and style.
- Now, we have built an outstanding group that combines over 60 years worth of experience in the project management team.
- The team at Quality Shopfitters International are committed to professional and personalised service. This means that we work with you carefully to ensure that we understand your requirements and consult with you at every stage to ensure that we are meeting those requirements.
- We are focussed on the delight factor. This means that our commitment is to your delight. Our product will exceed your expectations and leave you delighted that you engaged us.

Every Stage Managed

Our key strength is that we manage every stage of your shop fit for you.

When you have a concept, we will work with you through every stage to turn that concept into reality with professional and personalised service.

The Buck Stops Here!

The great part is that your key point of contact in our organisation at all stages of the project will remain the same.

That's right one person to communicate with at every point and one person to take responsibility for getting your project to completion with no buck passing.

We take responsibility for the work and we ensure that you are delighted with the outcome.

Our Quality Promise To You

We commit to your delight.

We will always work with you to ensure that your project delights you so that at the end of the project you are guaranteed an outcome that you are proud of.

Our project managers have the experience to ensure this delight.

Each project manager in our organisation is committed to our vision of providing only the best outcomes to each customer through professional, personalised and outstanding customer service.

We will manage all elements of your project to ensure its successful conclusion.

We are Quality and Quality is what you get when you engage Quality Shopfitters International.
