

Blocked Drain?

Twin Electrics plumbers can help. We offer a professional and friendly service for people who have **blocked drains in Melbourne's metropolitan areas**. We have been successfully helping our Melbourne customers for over 30 years with our reliable electrical and plumbing services.

Identifying a Blocked Drain in Melbourne

There are a number of reasons why you suffer plumbing blockages. Hair, foreign objects or even pipe work damage are some of the most common problems. These can occur in your domestic pipe work, sewer or even storm drains. You may also experience reduced water pressure, strange odours and even basins or baths emptying slowly. These are the signs indicating you need a plumber to clear a blocked drain and so prevent further damage.

Fast and Effective Service

Need to quickly clear a **blocked drain in Melbourne**? Call Twin Electrics & Plumbing for safe and efficient service. We have a team of highly qualified plumbers who can expertly assess your problem, explain the cause and quickly clear your blocked drain. Using cameras in the pipework enables us to make a complete accurate assessment of the blockage. By analysing the cause, our team can prepare the best solution using the correct choice of equipment to quickly remove the obstacle. We can also inspect for damaged pipes and existence of tree root problems in your pipe work.

Using the Best Technology

Using the latest technical equipment we'll have your problem sorted in no time and without fuss. When commercial chemicals aren't effective, we have available our cable machine or pressure jet for the most stubborn pipe blockages. We can guarantee to find the best solution for all of your pipe work problems.

Reliable, Friendly Service

By using our service, you'll receive a 2hr prompt response for emergencies from one of our friendly support staff and qualified plumbers. On site, you'll receive a full assessment of the issue to determine the most cost-effective solution. We are available 24/7 for all of your plumbing needs, making us one of the most sought out plumbers in Melbourne.
