

## CLEM DE ROSA

### OPERATIONS MANAGER

Clem De Rosa is a proficient leader in the property industry, spanning over 28 years of experience. Clem is firmly committed to meeting the evolving needs of his many clients throughout our region and across Australia – handling all aspects of property sales, targeted marketing, and land development. Over the last 12 years, Clem has overseen the process of large-scale, high-density developments for house and land packages, townhouses and apartments in both regional and metropolitan areas. Clem's project management role involves working closely with landowners, developers, and government authorities to deliver strategic sales strategies effectively and successfully for all stakeholders.

Clem's exceptional interpersonal skills, intuitive intelligence and positive attitude, result in his clients investing their complete confidence in him. Matching his hands-on knowledge of the property market, Clem garners exceptional trust from all parties with his dedication to going the extra mile – and delivering the best possible customer service experience, every time.
