

Laminex®

Colour Collection

Benchtops & Cabinetry

Navigating the range.

The Laminex Colour Collection is a timeless range of laminates, categorised into four décor categories: Whites & Neutrals, Woodgrains, Minerals and Accents – globally inspired and adapted for all Australians to enjoy.

Whites & Neutrals

Laminex Whites offers a range of base tones giving each shade its distinctive character. Mid tone neutrals are inspired by nature, offering raw, organic characteristics and a selection of dark colours feature deep, earthy browns through to intense charcoals and blacks.

Woodgrains

Laminex Woodgrain surfaces beautifully reflect the authentic textures and tones of solid timbers. Select from cool and neutral grey tones, through to lighter warm and darker woodgrain surfaces.

Minerals

The Minerals range is inspired by timeless marble, granite and concrete surfaces. Marble décors offer sophistication whilst our aggregates deliver a luxurious look of natural stone and quartz. Our concrete surfaces are raw and unrefined and bring a sense of lasting durability.

Accents

The Laminex Accents range is an evolving palette of décors that reflect shifting design trends. From soft delicate pastels to brilliant bolds, accent colours help lift and add impact to a space.

Laminex Finishes.

Most Laminex colours are available in a range of products and finishes for various applications. Here's a guide to each of the laminate finishes:

AbsoluteGloss™ Finish

Featuring a highly reflective finish with outstanding durability against every day usage and an easy to maintain surface.

AbsoluteMatte® Finish

A super-matte, tactile and fingerprint-resistant surface, coupled with antibacterial protection and suitable for benchtops and cabinetry.

Paper Finish

Made from 30% reclaimed material, Paper Finish has the organic, hand-made texture of recycled paper, suitable for square-edged benchtops.

DiamondGloss® Finish

A stunning high gloss benchtop surface, polished to perfection giving it a brilliance that is both striking and refined.

Chalk Finish

A low-gloss tactile finish with the look and feel of a raw veneer, suitable for benchtops and cabinetry.

Nuance Finish

A combination of matte and gloss that mimics the effect of a sandblasted straight grain to add beauty and realism. Designed for cabinetry and low-wear surfaces.

Silk™ Finish

A luxurious semi-gloss surface that is easy to clean and adds sleek style to cabinetry.

Natural Finish

A low sheen, smooth touch surface that is a durable and low maintenance option for benchtops and cabinetry.

Flint Finish

A subtle textured finish with a soft sheen that is a durable and low maintenance option for cabinetry.

Laminex laminates combine timeless and contemporary colours and finishes with the durability to stay looking pristine in the most demanding interior environments. They're hardwearing, stain resistant, easy to clean, and rigorously tested to ensure that they satisfy Australian standards for surface materials.

Benchtop features Laminex Raw Birchply with Laminex Matte Rose Gold face edge.

Laminex Colour Collection.

This brochure contains the complete Laminex Colour Collection. For complete product and sizing, please refer to the National Availability Guide at laminex.com.au.
