

About Taskforce Australia

Getting stuff done round the house or at your place of work takes a whole lot of time and effort. With so many trades and services operating around Australia it's hard to know exactly who to call and impossible to keep track of contact details.

Taskforce Australia was born out of this frustration - a desire for One Name, One Number, Any job!

Taskforce is a national trade and services franchise group. Unlike many other trades and services booking websites; where you do not know who might appear on your doorstep, with Taskforce – you are dealing with a reputable Franchisee who is local to your area. The same goes across all of our trades and services – you always know you are dealing with someone local.

It's EASY for customers: just ring one NATIONAL number, 13TASK, for any job. Customers simply enter their postcode and say the type of trade or service they require.

With so many trades and services on offer, Taskforce is well on its way to becoming a household name all around Australia. To find out why so many people are choosing Taskforce for all of their jobs around the home or office, contact us today on 13TASK (138275).
