YEARS

POP TOP PRODUCT RANGE

WWW.GOLDSTREAMRV.COM.AU

For 25 years and counting Goldstream RV have been producing high quality Camper Trailers, Pop-tops and Caravans with thousands out on the road right now, travelling Australia in complete confidence and style.

Adventure bound travellers choose Goldstream RV for their off-road reputation but at the same time they are at home if you only intend on staying in caravan parks. All of our vans are built to exacting standards and we have a model to suit your requirements. It all starts from the ground up using suspension systems married up to different chassis

combinations to give you an overall product suitable to your needs and requirements. Our highly trained production team utilise the latest in equipment with all of our vans meeting the highest industry standards across the board.

Buying a Goldstream RV means you are getting a product made right here in Australia and ensures it not only looks good but is built to last and is up to the task of travelling in some of the harshest conditions around the country. Enjoy your travels in a Goldstream RV your world of adventure awaits!

**"TAKING YOU PLACES
NEVER BEFORE EXPLORED"**

1200 MINI SERIES

Neat and compact with comfort you could only dream about in a small Pop Top. The Mini 1200 range has 2 great layouts all designed around small car towing capacities and height restrictions in the home garage.

The Mini offers exceptional internal storage utilising all the available space throughout with storage underneath seating, beds, kitchen and various other areas within the van. If you have limited space and a small car the Mini 1200 Series is one van to check out.

▼ MINI 1200 SB (SINGLE BED)

▼ MINI 1200 DB (DOUBLE BED)

MODEL SPECIFICATIONS	1200 MINI
TRAVEL LENGTH	5430mm
BODY LENGTH	3780mm
WIDTH (add +150mm for Awning)	2060mm
HEIGHT (Approx Range From)	2030mm
TARE (Approx Range From)	1200kg
BALL (Approx Range From)	100kg
ATM (Approx Range From)	1600kg

Heights will vary depending on model and package due to the number of different suspensions and options available and above should be used as a guide only. Please check with your selling dealer to explain further and for more information on suspension and heights.

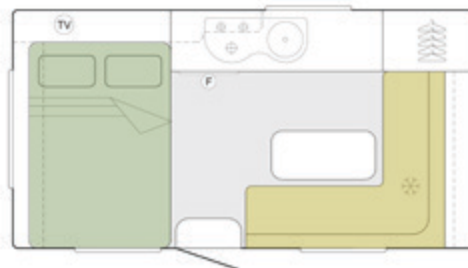

1400 EXPLORER SERIES

The Explorer 1400 Series Pop-Top allows you to discover freedom and travel in style without the burden of towing a larger van. It comes with all the features and appointments you want and is just a step up from our smallest model. This unit is available in two great layouts including a combination shower and toilet in one of the models. The clever east west bed layout in an Explorer creates an abundance of easily accessible storage that will not leave you wanting.

▼ 1400 EXPLORER ST

▼ 1400 EXPLORER DB

MODEL SPECIFICATIONS	1400 EXPLORER
TRAVEL LENGTH	6450mm
BODY LENGTH	4400mm
WIDTH (add +150mm for Awning)	2280mm
HEIGHT (Approx Range From)	2250mm
TARE (Approx Range From)	1400kg
BALL (Approx Range From)	175kg

BALL (Approx Range From)	185kg
ATM (Approx Range From)	2200kg

Heights will vary depending on model and package due to the number of different suspensions and options available and above should be used as a guide only. Please check with your selling dealer to explain further and for more information on suspension and heights.

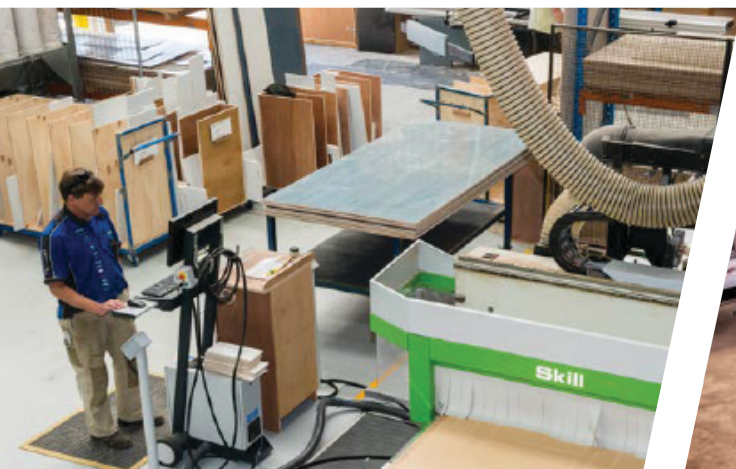

GOLDSTREAM RV STANDARDS

Before you head out into the great expanse of the Australian landscape no matter what corner of this great southern land you point yourself towards rest assured that you will be in good hands with a Goldstream RV Pop top in tow.

Our range of models will accommodate a family of 5 comfortably or if the kids are now gone and it's your time to enjoy the spoils of life ahead we have a model to suit your needs.

We have grown our models to accommodate and cover all levels from touring pop tops to our popular Panther models with a range of different packages in between.

Goldstream RV prides itself being members of all relevant industry bodies following all industry standards to ensure you are getting the best product in today's market.
