HEALERS CHOICE POWER CONTOUR

This one piece contoured table has powerlift height control and a manually adjustable face crest and lower armrest. The contoured shape offers excellent therapist access, making this design a favourite for remedial work. With wheels at one end and stabilising blocks at the other, the table remains solid but moveable.

LENGTH	194cm
WIDTH	70cm
WEIGHT	62kg
HEIGHT	50-86cm
CAPACITY	204kg
FOAM	6.5cm
WARRANTY	Frame 5yr, Motor 2yr, Pedal 1yr
COLOUR	Navy
CODE	ET020
PRICE	\$1900

HEALERS CHOICE EDGE

This new table design has a rectangular body with shoulder cut outs for client comfort. The two armrests are independantly adjustable in height with a self locking mechanism ranging from 0 (level with the face section) to 22cm below. The square headrest section features a unique arced face hole, decreasing pressure on the face and is operated by a gas lift and has a range from -70 to +20 degrees. The walk free foot controller is an aluminium ring that runs around the table, enabling you to adjust the height from any position.

LENGTH	203cm
WIDTH	70cm
HEIGHT	45-94cm
CAPACITY	150kg
FOAM	7.5cm
WARRANTY	Frame 3yr, Motor 1yr, Pedal 1yr
COLOUR	Black
CODE	ET023
PRICE	\$1750

HEALERS CHOICE POWER LIFT BACK

A rectangular two piece couch with powerlift height control and powered backrest. The back can be angled from 0 to 75° to suit a wide range of modalities. Includes face recess and plug. With wheels at one end and stabilising blocks at the other, the table remains solid but moveable.

LENGTH	184cm
WIDTH	70cm
WEIGHT	85kg
HEIGHT	43-98cm
CAPACITY	196kg
FOAM	7.5cm
WARRANTY	Frame 5yr, Motor 2yr, Pedal 1yr
COLOUR	Navy
CODE	ET021
PRICE	\$2100
