ALL WORK GUARANTEED

SUPERIOR PLUMBING SERVICES IN ELANORA & SURROUNDING AREAS

Barker Plumbing Services is a locally owned and operated plumbing business based in Currumbin Waters, providing exceptional plumbing services throughout the Gold Coast.

With more than 30 years of experience in the plumbing trade, Barker Plumbing Services is a real authority on everything to do with plumbing. Over this time, we've learnt that what customers want in their plumber is someone who's friendly and reliable, able to provide a quality service, sometimes at very short notice, and all at great prices. Above all, we find that what people really look for is a plumber they can trust.

Whether a domestic or commercial customer, we approach every job, from a single leaky tap, through to gas fitting and emergency burst pipe repairs, with the same level of prompt, friendly service and high standard of workmanship.

Jeff Barker
