Working for you

Here’s what our recent customers have to say

“We have used Ken Hall Plumbers on numerous occasions for plumbing and knew the quality of their workmanship and great reputation which is why we decided to do a bathroom renovation with them.

Working with Ken Hall Plumbers was the whole package. When you think of a renovation you want a professional job done, you want it done in a timely manner and you want it kept tidy. This was all exceptional,

but the biggest thing we valued was the communication and being kept up to date with what was going on, when things were happening and who was arriving. This was absolutely outstanding.” *Craig Fielke, Mylor*

“Selecting Ken Hall Plumbers to renovate our bathroom was an easy choice. We were confident in the service because of the company’s long and reputable history in South Australia. Throughout our renovation, we were very well supported by the team, who made themselves available to us 24/7, no problem too big or small.

And the finished product was exceptional. The team’s advice and support throughout the project made renovating our bathroom an absolute dream. We would definitely recommend using Ken Hall Plumbers.” *Penny Oakeshott, North Adelaide*
